### ***Jacinta Byrne – One Way Ticket To Heartbreak***

Introducing CMAA Academy Graduate and multi award winner Jacinta Byrne with her exciting debut single release 'One Way Ticket To Heartbreak'. At just 17 years old Jacinta has already established herself as a performer that pours her heart and soul into her songs both on and off stage. This has led to wins at the CCMA Awards as Junior Champion of the Year and the TCCMA Awards as the National Champion at the Tamworth Country Music Festival in 2020

She has teamed up with fellow CMAA Graduate and 2021 Golden Guitar Finalist - Liam Kennedy Clark (producer) to put together her first album and her self-penned track 'One Way Ticket To Heartbreak' is the powerful first single to be released from it.

“Everyone at some stage in a relationship gets a broken heart in their life.

This song is about how you would do anything to be with someone knowing that no matter what you do it will end in heartbreak.” Jacinta Byrne about the song

With soaring strong vocals, songs that tell of a young woman who loves adventure and lives life to the full, Jacinta Byrne is set to share her own unique brand of music with us all – it’s raw, it’s passionate, it’s something special.
