Willow – Out Of My Hands

Willow follows the incredible launch of his debut album 'Out Of My Hands' to a full house at the 400 seat Capitol Theatre in Tamworth with the release of the high-energy title track 'Out Of My Hands'. This new single follows the hit charting singles Release, Small Hometown and Please Make It Me that have launched Willow as an emerging artist to watch and a songwriter to savour.

Out Of My Hands blends Willow's contemporary country rock sensibilities with his singer/songwriter storytelling to produce a powerful and memorable title track.

"Out Of My Hands is about all the highs and lows I have experienced throughout my life and how in many cases these moments came my way in spite of my actions. Like so many people, there have been times when I have struggled to find my way in this crazy thing called life and simultaneously have experienced some truly breathtaking and memorable highs.

Life is often - Out Of My Hands" - Willow
