## *Clayton Saunders – Your Love*

Your Love is about when a good love comes into one's life.

It's about that one person who brings the magic as well as the mystery to spice up your life. When you feel you've lost your mojo and direction and self-esteem takes a back seat and you think you're never gonna find your twin flame.

Suddenly out of the blue that person you've always been looking for, hoping for arrives at your door and knocks on your heart and say let me in. When that finally happens your whole world changes and you realise you do deserve good love, real love, true love.

I do hope you enjoy my latest single Your Love.
