Craig Woodward – Iris

Craig's latest single 'Iris' is a Country infused tribute to one of the biggest bands of the 90's.

The Goo Goo Dolls are American Hit Making machine hailing from Buffalo, USA. From an early age the Goo Goo Dolls were a regular feature of the young Craig Woodward and his mate's soundtrack driving around the sunny suburban streets of Australia in the 90's.

So, it's only fitting Craig chose the only cover for his upcoming album (4th single) to be one from one of his hero's.

The track was produced by Jacob Wilkes and features the amazing Pedal Steel energy of Sasha Ostrovsky (Hootie & The Blow Fish/Darius Rucker)

Sit back, relax, crack open a bottle of red and enjoy this country infused Pop hit delivered with passion, heart and soul.

Everything we've come to expect from Craig and his music.
