Michelle Russell – Enough Said

This beautiful heartfelt song came to life at The Dag song writing retreat in 2017.

Co Written with Brad Butcher, this song is for all the people who have loved ones that have fallen victim to the Black Dog and know only too well the effect it has on them.

Usually, the ones we love are the ones that feel their suffering and also their own pain.

Sometimes it only takes one word or a certain look to let them know it's ok!

In my experience it was the look and the holding of the hand that told me, we've got this and everything is going to be ok...

Simon Johnson from Hillbilly Hut produced this song and I was so happy with the end result, I hope you love this song as much as I do ..Michelle Russell
