## ***Michelle Walker – She's Got Class***

“She’s Got Class” is the song North Queenslander Michelle Walker has always wanted to write.

“I just want to make people laugh and put a smile on their face!

It’s so delightfully audacious; it really was just a fun song to write,” says Michelle when people ask where the inspiration came from for this one.

The song is just dripping with innuendos and some well-placed suggestive words, yet at the same time it’s kept nice and clean for the little ones.

The first-class production and musicianship come from Lindsay Waddington from Kross Kut Records.

She’s Got Class comes from Michelle’s current album “Backbone”.
