### ***Kerry Kennedy – Thargomindah Sunset***

"Thargomindah Sunset" is a beautifully descriptive song about the small outback town of Thargomindah one thousand kilometres west of Brisbane.

Written by Australian Singer/Songwriter Kerry Kennedy, it tells of the beauty of the west, the abundance of wildlife and the toughness of the people living there.

Produced by Benji Pocock at Vibetone Studios in Cooroy, the music and the words are perfectly coupled, to take the listener on a journey to the beauty of outback, and the beautiful "Thargomindah Sunset"
