Davey Bishop – Little Hands

I am a songwriter and singer sharing stories. Love, loss, hope and happiness are the hills and valleys of life's journey.

My debut album "Time is of the Essence" is a collection that touches on these emotional milestones. "The songs look at this journey through the eyes of people, some real and some imagined, and are my own compositions"

The fifth single off the album is "Little Hands"

This song is a modern take on the story of Christmas and draws the link between the baby in a manger and the innocent man who was crucified at Easter time.

This is the same guy 30 or so years down the track. Some 2000 years later and we still commemorate both events, which are part of the same story.

A story of love and sacrifice.
