### ***Cathy Dobson – I Got A Feeling***

“I got a feeling” is a universal story of young love. It is a relationship many frown upon, unsure of the age of the lovers and the suitability of the young man. Nevertheless their love is strong and no one can stop them pursuing their dreams of being together.

The release of “I got a feeling” coincides with the release of Cathy Dobson’s album “Living in Mediocreville” on Friday January 27th and available on all digital outlets. It is track 2 and the 4th song release of the 10 track album.

Recorded in Edithvale, Melbourne with Damian Cafarella and Lachlan Bryan at EOR studios, “Living in Mediocreville” is a 10 track album with 9 original songs. Album cover art work is by Tracey Roberts. “I got a feeling” art work by Caitlin Dobson.
