Runaway Dixie – Lonesome Highway Blues

Runaway Dixie is back with a new original single!

With 4 Golden Guitar nominations behind them over their 14-year career Australia's own Runaway Dixie continue to bring their unique down to earth style of bluegrass and country music to life in the many songs they create together.

'Lonesome Highway Blues' is an uplifting tale of missing someone and looking forward to catching up with them again soon and is from Runaway Dixie band member Virginia Hermel's pen.

The track features Jim on banjo, Virginia on lead acoustic, and Lynette on bass, along with lead vocals from both Virginia and Jim, plus harmonies from Lynette and all band members.

A video clip is included via the band's website.
