

Dane Sharp - When the Sun Goes Down

Verse 1

There's been lots of changes over the years
plenty of memories of blood sweat and tears
Late afternoon we say goodbye to the Sun
One thing stays the same it's time for some fun

Chorus

When the Sun Goes Down
On my Hometown
We always start the party
When the Sun Goes Down

When the Sun Goes down
On my home town
We always start the party when the Sun goes down
When the Sun Goes Down

Verse 2

Johnny watches the clock while he works for the man
Suzie pours coffee but shes got a plan
There both got one thing on their minds
Searching for the best time that they can find

Chorus x 3
