### ***Anthony Baxter – Where Our Heart Lives***

“Where Our Heart Lives” is Anthony’s latest single from his forthcoming album. This song has already been a number one hit for songwriter, Shaza Leigh and Anthony has arranged a wonderful instrumental version destined to deliver more success for this extremely talented young guitarist.

Anthony Baxter grew up in the Lake Macquarie region of NSW, playing piano and clarinet at primary school, in the little town of Morisset.

He bought his first guitar at a pawnbroker in 2004 after listening to Australian Bush Ballad music, he entered his first talent quest at Bellbird Bowling Club and won the instrumental section.

Anthony made his break into the industry in 2018 recording a duet album with good mate and mentor Lindsay Butler. The single lifted from that album won “Collaboration of the Year” and “Instrumental of the Year”.

Anthony has moved to Tamworth, to work closely with LBS Studio and has released two national and international top 10 hit singles, 'Wattle In The Spring' in 2021 and 'Bunyip Bounce' in 2022 with the later winning Anthony, several awards including the international Gold and Platinum Disc Awards.
