Cec Peterson – Bring Me Home

Singer-songwriter and storyteller through song, Cec Peterson releasing her third solo single.

To celebrate the memory of the first man I ever loved, my wonderful Dad, I am releasing “Bring Me Home” for his birthday!

Co-written with Tamara Stewart, “Bring Me Home” is a very personal, raw and beautiful song that honours both my dad and his father.

With Anzac Day approaching, this song is also an opportunity to reflect on, and remember, all the families who have been affected by war throughout the generations. Although not an Anzac, my grandfather gave his life serving his country. My dad never got the chance to meet his father and I know there must be many others in a similar situation.

“Bring Me Home” was recorded, produced and mastered by Simon Johnson at Hillbilly Hut Studios.
