Jax Tonic – The Journey You’ve Had

This is a song which tells people not to give up on hope, even after they’ve seen the ugly side of human nature through abuse, bullying, lies and manipulation.

‘The Journey You’ve Had’ was written by Jax Tonic to remind people that “You can’t arrive at the final destination, without the journey you’ve had along the way”. That’s what makes you who you are today and more often than not, you become a stronger person.

Life has a way of giving each of us a reality check when we ‘hit the ground’ or ‘come down’ after experiencing extreme highs or lows. Karma has a funny way of taking care of those who lie and manipulate situations to benefit themselves or those who do this to fit into groups of bullies.

One thing is for certain, each of us has to go through life dealing with human nature and sometimes the ‘bad side of people’ in order to eventually reach what Jax calls our ‘final Karma point in life’.

This is a song about remembering all the hardships on the road to success, whatever your destination may be.
