Kerrigan La-Brooy – Medals For Mothers

Kerrigan La-Brooy is back with his latest release and it's probably his most emotive one to date. The single is titled "Medals For Mothers" and there's arguably never been a more significant rendition so far. Kerrigan recorded this song following his Mum going home to be with the Lord in March 2023.

Listen to the fresh heartfelt emotion in his voice. The tears and heartache are unmistakable. Kerrigan decided to leave the vocals raw and uncontrived. You can hear a snippet of his Mum's voice at the end of the song when Mother & Son did a Duet together on Kerrigan's debut album.

He held back from releasing this song in time for Mother's Day, deciding to do so on his Mum's Birthday (June 12th), as a special dedication to one of the most important influences in his life. In fact, he dedicates this song to all Mum's out there, whether they're still with us or have passed on.

His message to everyone is

"Love your Mum and Treasure her, because she's not here Forever!"

The accompanying video is equally sentimental and is guaranteed to be a tear-jerker. Kerrigan holds in high esteem all the radio presenters and television broadcasters who play his music and every listener and viewer who tune in to your Station. He offers his sincere thanks and appreciation for your support and he hopes you'll enjoy his latest contribution.
