Andy Penkow - Aussie Rain

The 2023 Golden Guitar Award nominee's brand-new single is a love letter to the Aussie country towns that have embraced him over the years. It's evident, Penkow's music heart well and truly lies in the small country towns across Australia.

The NSW town of Coonabarabran is the focal point of "Aussie Rain", highlighting the town's rich history and culture.

"As a full time musician, I get the amazing opportunity to travel across Australia and visit some pretty neat places", says Penkow. "I first visited a small town in outback New South Wales called Coonabarabran a few years back and I felt an instant connection. There was something so special and unique about it. The people, the land, the history, the nighttime stars, it really moved me. Aussie Rain is a love letter to the town, to thank them for being part of my journey as an artist, singer and songwriter".
