Scotty Mack – Beers Like Bullets

I just wanted to tell my story of a time in my life where the pain of a relationship breakdown led me into a downward spiral and turning to alcohol to numb the pain for many years and getting lost in alcoholism.

A true story of how I lost myself and spent so long locked in my house and drinking to numb the pain, and if it wasn't for my close friends I would still be that person.

Thankfully I managed to claw my way back to finding my true self and who I was after writing the song, and if you're struggling you can too.
