Clayton Saunders – House With The Broken Heart

I crafted this song from a poem I read that was written back in the early twenties.

The story really touched me and I took the essence of that poem and turned it into House With The Broken Heart .

The story tells of a son reminiscing about the house he grew up in. It's now a burnt out shell. He visits the site and recalls the tragedy of losing his parents in a fire.

He also reflects on the many wonderful memories he experienced and enjoyed with his family and the love and life lessons given throughout his growing years.

Clayton Saunders is an international award winning singer/songwriter and a Golden Guitar nominee.
