### ***Shelly Jones Band – One Night at a Time***

The Shelly Jones Band (Shelly and Lester) are a multi award-winning husband and wife duo from the Mid North Coast of NSW with a string of number one hits on the Australian Country Songs Airplay Chart. This latest release, 'One Night at a Time' is a beautiful melodic country ballad featuring the superb vocals of Lester (the other half of the Shelly Jones Band!). In typical Shelly Jones Band style, they have applied their own unique style to this popular song that was originally released by one their favourite country music artists, George Strait.
