The Long and Short of It – Tear Stained Eye

"Tear Stained Eye" is a song by Jay Farrar and first recorded by the Swedish Band Son Volt in the Mid 90's.

Dave & Patsy have added more traditional elements to this song with the addition of the Pedal Steel and Banjo. This beautiful Ballad is a perfect song for David and Patsy with their perfect harmony in play.

The Long and Short Of It are David Baird and Patsy Toop OAM, who first met in 2007 and already have an impressive resume to boot that includes six album releases, two EPs, and have earned themselves a slew of awards including a Tamworth Songwriters Award (2011), a Tasmanian Independent Country Music Award for Most Popular Duo (2016), three-time winner of an Indie Country Music Australia (ICMA) Award for Most Popular Independent Country Duo (2017, 2019, 2021 & 2022), a Southern Star Awards Award for Best Duo or Band (2016) and a three-time winner of a Gold Media Medallion Award for Best Duo Nationally (2015, 2018 & 2021) Best music video of the year People's Choice Awards -Tamworth Music Festival 2022.
