Ben Walker with Aimee Hannan – Just Not Country Enough

Returning with his third song of the year, chart topping Ben Walker teams up with Aimee Hannan, to deliver an upbeat pop-country track asking if he's "Just Not Country Enough".

The track, recorded at Sing-Sing studios in Melbourne with producer Thomas Keating, is overflowing with stellar musicianship with Callum Edwards on Bass, Dan Berry – drums, Thomas Keating – guitar and Michael Flanders on Pedal Steel). Add in the beautifully contrasting vocals from Aimee and Ben and this song will have you tapping and singing along.

Talking about "Just Not Country Enough", Ben says "It's a fun upbeat crowd pleaser, but it is challenging a bit all those folks who like to throw up barriers and tell people they can't do something because they aren't this or that. In my case, I'm an Englishman who loves Country and folk music and all that Australian nature has to offer – I wouldn't last five minutes outside my comfy studio or office but I love this country and its music, and I'm proud to be raising a family here in Australia."
