Aimee Hannan – Stand Up And Rise

As a little girl living in Queensland I found my love for Country Music and the stories that were told through song.

I had met many amazing people along the way but there were two special ladies that have become life long friends that not only helped me begin songwriting and learning to play the guitar, they also taught me an important lesson that I still remember to this day, A true friend is a Diamond, precious and rare.

These words inspired me to write this uplifting ballad. Stand up for your friends, rise to every occasion.
