Kerrigan La-Brooy - When I Travel My Last Mile

Kerrigan La-Brooy Leaps into the New Year with one of his best songs yet. He does it Acapella and all the voices, including the harmonies, are solely his own, (soprano & baritone too). Titled 'When I Travel My Last Mile', the melody is haunting, the vocals are mesmerizing, the presentation is compelling, the message is reassuring.

Kerrigan has kept this song under wraps, waiting for the right moment to release it. He trusts that as we Travel into the New Year, our Steps will be Secure and our Miles will be Prolonged, until our Journey takes us to our Final Destination when it's time to Travel our last Mile.

This dynamic Singer/Songwriter from Melbourne Australia hopes that this will add to his current unbeaten record of nearly 190 consecutive weeks on the charts.

Kerrigan holds in high esteem all the radio presenters and television broadcasters who play his music, as well as every listener and viewer who tune in to your Station. He offers his sincere thanks and appreciation for your support and he hopes you'll enjoy his latest contribution. Kerrigan and his family take this opportunity to wish you and your family a Safe and Happy New Year.
