Phoebe Hutchison – My Best Friend

I wrote this song first as a poem for my husband for our wedding, in 1991. I later, in 2015, put the poem to music, and My Best Friend song was created!

This song is for everyone who loves their partner, or for anyone who is about to get married!

I wrote these words as an engaged person, full of hope, yet 33 years later, I still feel these intense feelings of love for hubby - My Best Friend:)
