Ross Webb – Seminole Wind

On the back of a highly successful run of Luke Combs Tribute Shows, Ross Webb has released this cracking version of Seminole Wind. Originally recorded by John Anderson in the 80's, the song was rekindled by Luke Combs via a filmed studio session that made its way to YouTube

Ross has been performing this rocking song for 2-3 years and it is now an integral part of his Ultimate Luke Combs Tribute Show which has been playing sold out shows across NSW and QLD

Check out his take on a classic 80s Country tune.
