### ***Anthony Baxter – Pride Of New England***

2024 sees Anthony release his latest instrumental single 'Pride Of New England' another Shaza Leigh tune, released through the LBS Label and produced by Lindsay Butler OAM.

Anthony is kept very busy playing shows in Tamworth and around regional NSW when not in the studio.

Anthony Baxter has become the most exciting new guitar picker to enter country music ranks in recent years. His ability to play the pure notes of a melody has won him a huge fan base reminiscent of the following created by the greats before him like Lindsay Butler & Barry Thornton.

Since his debut recording release with LBS Music, just seven years ago, Anthony is already a multi-award winning artist in his own right, playing his style of instrumentals. Now residing in Tamworth, Australia's Country Music Capital, he has been working very closely with the LBS Music team, recording another instrumental album to follow the success of "Boomerang Guitars" back in 2019 with Lindsay Butler.

He has also enjoyed a string of national and international hit radio singles "Wattle In The Spring", "Bunyip Bounce" and "Where Our Heart Lives" all Shaza Leigh compositions.
