## *Midwest Molly – Thinking This Way*

Midwest Molly, the husband-wife duo of Kate Hathaway and Michael Turner, are thrilled to announce their latest single, 'Thinking This Way'. Imagine our own thinking might not be the only way.

“We don’t need to let go of ourselves to understand others”.

Whether it be families, communities, even whole countries. We all have our ways of thinking, our cultures, surrounded by strong feelings of belief and connection. Within them can be found many beautiful things if we take the time to explore.

‘Thinking This Way’ comes from two people (Kate and Michael) who grew up in different countries but found their love to be bigger than being stubborn.

As with our previous single release ‘Pretend’, this song celebrates all those out there getting to know their bigger world.
