Michael The Living Poet – A Perfect Picture

Michael Jones, better know as "Michael the Living Poet" is slowly turning his poetry into songs.

"A Picture Perfect" was inspired by memories of Michael's Mother. Sadly she passed away in 1999 and he had no photo of her. Memories was all he had..

Many folk don't have photos of loved ones who have departed this world.

Photos may fade in time, but memories and pictures remain in our hearts and minds forever!
