## ***HAZEL & The Thief – The Olden Days***

Hazel & The Thief announce their much-anticipated debut release, 'The Olden Days'.

'The Olden Days' is a nod to childhood nostalgia, when the days were long and carefree and filled with innocence. Lead singer & songwriter Hazel explains, "It's about remembering those happy go-lucky moments, when every day felt like an adventure and the world was our oyster. It's also about cherishing those special childhood memories."

'The Olden Days' was produced by the star of ABC-TV's 'The Recording Studio' - Matt Fell, a 9 times golden guitar winner and ARIA award winner who also lends his talents on guitar, bass, and keys. Joining them on the track is powerhouse rhythm section Josh Schuberth (drums) and Luke Moller (fiddle)– both seasoned musicians who have played on countless recordings including Felicity Urquhart & Josh Cunningham, Adam Swift, Fanny Lumsden, Troy Cassar-Daley, Dolly Parton, Carrie Underwood, Missy Higgins and Lana Del Rey.
