The Silverline ft. Craig Woodward – Runaway Heart

The Silverline Feat Craig Woodward – Runaway Heart

Runaway Heart is a new and incredibly fresh co-write and vocal collaboration from award winning Australian country artists The Silverline FT Craig Woodward!

Produced by Simon Johnson at Hillbilly Hut, this excellently delivered track captures the topsy-turvy-upside-down-world-spinning quality of a runaway heart – confronting the emotions entangled with a heart that is searching for true love. This single is an opportunity for the vocal delivery of each performer to be highlighted and showcased, along with striking harmonies that are ultimately rich, giving Runaway heart a warm layering of emotions. With a definite contemporary pop-country overtone, there is a youthfulness to this track that shines through along with an incredibly catchy hook at its core.

Amidst the chaos and uncertainty of love – your runaway heart can be tamed!
