Peter Reeves – Old Hat

Old Hat is the brand new single for Australian country artist Peter Reeves. Taking a darker turn from previous singles, It's melancholic tune about Peter coming to terms with the loss of his father and the hat that was so important to him throughout his life.

Supported by serene guitars by Nashville guitarist Rick Plant and pedal steel by Dave Moore, 'Old Hat' was recorded at Mountain Sound Studio at Hanging Rock and produced by John Baxter.

The song is released on Small Sanctuary Records and is part of his new full length album called 'Beer O'clock' and is supported by a publicity campaign by Key2 Promotions.

Peter is gearing up for a national tour with his band early 2025.
