Phoebe Hutchison – I Won't Say I Miss You

I won't say I miss you was the song I wrote for my Dad who died 4 years ago.

The song is definitely a tear jerker, but a great song to help people who are in grief, as people often relate to the words. I see so many reminders of my Dad, who I adore.

I also never say I miss him, because it would make his loss too true.

This song is to be followed by My little companion, which is all about how adorable my son was when he was 7yrs old.

These songs are late additions to the album entitled, This little town of mine.
