Korey Livy – Vacay

Country music veteran and Australian Idol star Korey Livy again teams up with international songwriting sensation Vanessa Selwyn on his new EP, 'Oxygen', due for release in 2025.

This first single, 'Vacay', is a feel-good anthem that captures the essence of escaping the daily grind and embracing the carefree spirit of summer.

'Vacay's infectious melody invites listeners to chase sunshine, relax on sandy beaches, and soak up the good vibes.

This song blends a catchy hook with a laid-back rhythm, making it an ideal soundtrack for road trips and long, lazy days on the beach.

As Korey Livy continues to carve his niche in the country music scene, 'Vacay' is a testament to his ability to connect with fans through relatable themes of adventure and joy.

The Track was recorded & mixed by Simon Johnson at The Hillbilly Hut in NSW and Mastered by William Bowden at King Willy Sound, Tasmania.
