Andy Penkow - Visiting Hours

Following the momentum of an incredibly successful year, Andy Penkow took a much-needed pause – a moment to breathe, reflect and connect with his artistic core. Out of that introspection comes his latest single, “Visiting Hours” – a tender country-folk ballad that captures the beauty and fragility of life’s most meaningful moments.

Co-written with acclaimed songwriters Elias James and Rip-Van Parks, “Visiting Hours”, is a poignant reflection on love, memory and the importance of not taking out time with loved ones for granted. With lyrics “the laughter and all the sorrows, all out love and our regrets”, the song invites listeners to cherish every shared moment before it’s too late.

Re-uniting with renowned producer, Michael Moko (Catherine Britt/Melody Moko) - who also worked on the previous singles “Driving You Home” and “Aussie Rain” – Andy brings a raw, emotional honesty to “Visiting Hours” that is both timeless and deeply personal.

“Visiting Hours” marks a new chapter in Andy’s evolving musical journey, offering fans an intimate glimpse into the artist he has become.
