Larry Cann – Keepin' It Real

"Keepin' It Real" is a song about family.

The track also shows the love of Mum and Dad, their guidance and the Teacher who made a difference through those learning years.

Keepin' It Real was created on a special day of songwriting inside Richie Scholl's tour bus outside his place in Gallatin, Tennessee in June of 2023 with a very talented songwriter, Lynn Willbanks.

On the day we met as a writing session we spoke for a moment and after a little while Lynn said lets write about family. From there we worked our way through lyrics encompassing Dad and Mum and the Teacher that believed in you at school.

I know this is on the personal side but it's a straight ahead shuffle feel song that gets your attention with wonderful production by Michael and Caleb Flanders who has been working directly with Larry since 2020.

Promoting a better future by "Keeping It Real, and making it right".
