ELskan FLY – Ride

Born on the vast Canadian prairies, ELskan Fly is a folk-country singer-songwriter with a deep connection to the world around her. Now living among the sweeping Canterbury Plains of New Zealand, she weaves raw emotion into her music, telling stories that capture the lives and experiences of everyday people.

A semi-finalist in the 2024 ISC competition and an award-winning songwriter, ELskan FLY’s earthy, organic voice and evocative melodies offer a sense of comfort and connection. Her recent single Ride gives a taster of the album coming later in 2025.

“Ride” is a spirited country anthem brought to life by the rich textures of fiddle and banjo. Written by ELskan FLY for her son, who took up bull riding. The track is a heartfelt tribute to determination, resilience, and the relentless pursuit of one’s dreams.

With vivid storytelling and dynamic production by Liam Kennedy-Clark, “Ride” captures the adrenaline of the arena and the metaphorical ride of life—encouraging listeners to hold on tight and stay the course.
