Dianne Coombes – Ripples On A Pond

Multi Award winning Singer/Songwriter Dianne Coombes has completed a body of work that she is extremely proud of in her new Album 'Ripples'.

Singles released from the Album have enjoyed great radio success with two hitting No. 1 and three other releases spending a prodigious amount of time in the Top 10 on the Australian Country Music Charts.

Her new release 'Ripples On A Pond' is the title track of the new Album. Written by Dianne as a tribute to her late husband, it is a story of who he was, what he stood for and the legacy he left behind.

A personal story written about a universal truth, an affirmation of the continuance of love and the ripple effect our actions have on others around us. Love goes on.....
