Phil Salter – Fields Of Dreams

“Fields Of Dreams” is simply a love song!

The writer is telling the one that he loves, that she makes him happy, and that he feels very lucky to have her in his life; that he has “someone to talk to and share this life with”. He is saying that amongst the craziness of surviving everyday life, that she is to him, truly a miracle manifested.

Phil is more than thrilled to have been selected again this year as a finalist in the Indie Country Music Australia [ICMA] Awards. This year in the “PAUL LINDSAY MEMORIAL AWARD FOR BEST BALLADEER” category for his song “Fields Of Dreams”.
