Craig Woodward – Over & Over

Call it a line in the sand moment! Call it maturity! Call it the right thing to do! This song has challenged me & my moral compass for years!

Formally known as 'Wild Woody' I wanted to release this song to book end a period of my life that although in some light was fun went against my better judgment!

I tried to convey the destructive nature of a wondering heart & can now finally put that layer of my past to rest honouring my wife & two kids moving forward!

With this introspective observation of myself & others I'm genuinely attempting to help others not make the same mistakes! I hope it does!
