Shaza Leigh – All My Loving

Currently, Shaza holds the titles of National Female Vocalist of the Year, National Inspirational Artist of the Year, and National Female Artist of the Year on Radio—the latter of which she has impressively won six times at the Gold Medallion Media Awards. She was also named Female Vocalist of the Year at the CCMA Traditional Country Music Awards of Australia.

As a prolific and award-winning songwriter, Shaza has been recognised with six National Songwriter of the Year awards and three National Composer of the Year titles, further cementing her reputation as a creative force within the industry.

A dynamic and commanding performer, Shaza is known for her ability to elevate any piece of music—whether an original composition or a global classic.

This talent is on full display in her stunning rendition of “All My Loving”, the beloved Beatles hit that also became a nostalgic favourite from her childhood, thanks to its use as the closing theme of Young Talent Time.

Shaza has reimagined the song with heart and soul, delivering a powerful finale in her touring show and special inclusion on her 2025 album release, *Rodeos To Rainbows*, also the 200th album released on the iconic LBS Music label.

All My Loving sits perfectly amongst eight self-penned hit singles and other worthy selections. More than just a vocalist, Shaza also produced the track herself, working alongside long-time friend and engineer Peggy Gilchrist in the LBS Music Studio at Butler Estate, her custom-built Arts & Music Complex in Tamworth.

This latest release is yet another shining example of why Shaza Leigh OWB remains a true leader in Australian country music—effortlessly blending authenticity, artistry, and timeless appeal.
