### ***Steve Hart – The Entertainer***

After decades spent telling other people’s stories—on stage, on screen, and in the headlines—Steve Hart is finally telling his own.

Known to many as a respected TV news presenter and former sports and crime journalist, and to others as the high-energy frontman of the Steve Hart & The All Stars Rock Show, Hart has long been quietly crafting original songs behind the scenes. Now, with his debut single ‘The Entertainer’, he’s stepping out from behind the news desk and into the centre of his own story.

A raw, rocking anthem for anyone who’s ever chased a dream, ‘The Entertainer’ is both autobiographical and universal—unpacking the high of the spotlight, the cost of the grind, and the fire that keeps you coming back for more. Driven by a chantable, hands-in-the-air chorus and tight production, the track captures the soul of classic Aussie pub rock, with a fresh emotional punch.

Produced by renowned guitarist Chris Kamzelas and featuring a stellar lineup of session legends, the single is paired with a cinematic live-performance film clip, shot in front of a real audience and set for release alongside the track on Friday, September 5.

For fans who already know Steve Hart they know he won't leave anything in the tank—this is the next chapter. For new listeners, it's a bold first impression.
