Robbie Bostock – Chillagoe Breakdown

Robbie Bostock has spent a lifetime with a guitar in his hands, from busking the streets of Tamworth with his siblings in The Bostocks to touring sold-out arenas with Australian country icon Lee Kernaghan. Now stepping firmly into the spotlight, Robbie is carving out his own identity as a songwriter and artist.

His latest single, Chillagoe Breakdown, is a fast-paced instrumental that captures both his fiery guitar style and his deep connection to Australian country heritage. The track forms part of a forthcoming album that blends guitar driven country rock & blues.

With decades of experience and a sound that bridges tradition and innovation, Robbie Bostock is fast becoming a standout voice in the Australian country scene.
