### ***Halton Hart – Sweet Ride***

New Zealand's young country music sensation Halton Hart is set to release their highly anticipated new single, "Sweet Ride", Friday 7th November.

This track follows their popular releases "Grandad Mait" and the award-winning "Little Boots", showcasing a powerful leap in musical maturity, as the young artists continue to define their signature contemporary country sound.

Caitlyn and Marissa are at the age of starting to fly on their own.

Beginning to take chances on life and stepping into the big world out there.

Keen motorbike riders especially on the farm, the girls wrote this with the idea of feeling free, and taking risks when riding and taking that vibe into the new adventures ahead.
