Steerhead - Losing You

“Losing You” is a song about that sinking feeling when you feel that a loved one is slipping away from you. Whether it’s from falling out of love, an illness, or just growing apart. It’s also a type of cry for help, when you realise you’re not as equipped to deal with the situation, as you thought you would be.....

STEERHEAD is an Alt Country band of songsmiths that hail from South East Queensland. They have forged their unique sound by creating songs from the large melting pot that is country music. Penned by band members Craig Campbell, William Ashworth and Michael Sims, their lyrics are laden with visions of the Australian landscape delivered like a road train... with no brakes!

STEERHEAD will be launching their single at Tamworth Country Music Festival at the ‘Hands Across the Tasman’ Showcase.
