Elskan Fly - Keep on Drinkin'

Hot on the heels of "Ride" and "How Dare You", comes Elskan Fly's brand new single "Keep on Drinkin'". This is a heartbreaking track from her upcoming album "Lion Den".

"Keep On Drinkin'" is about knowing it's time to let go, but your heart won't allow it — reaching for something to ease the pain while knowing it's only being numbed for later. It sits in that space between truth and feeling, where letting go isn't as simple as it should be.

Produced by Liam Kennedy-Clark, the track features Josh Schuberth on drums and Gary Carter on pedal steel, with Kennedy-Clark also contributing guitars and bass. Mixed by Thomas O'Connor and mastered by Chris Chetland.
