### ***Elskan Fly - New Album - Lion Den***

*Lion Den* is a dust-kicked, heart-on-the-line country-folk/Americana record built on grit, resilience, and knowing when to hold on, and when to let go. Driven by real instruments and real vocals, the record holds onto a grounded, human sound, letting the songs land as they are. From heartbreak and vulnerability to fierce independence, each track holds its ground.

The new single *Lion Den* is a heavy story carried by an upbeat sound. It's what you think it is, or is it? A place where you start to question what's real, second-guess everything, and feel something deeper slipping away. Built on groove and subtle tension, the track lifts with high, layered backing vocals that contrast its darker edge. Produced and arranged by Liam Kennedy-Clark, whose touch brings just the right balance of groove and detail.

Produced and arranged by Liam Kennedy-Clark. All songs written and performed by ELskan FLY (Shelley Wyatt).

Elskan's new Album & title track *Lion Den* is available on all digital platforms now.
