### ***Craig Lloyd and Merelyn Carter – Little Country Store***

Following the success of the first radio single 'Take The Wheel' from his album 'The Other Side of Me' Craig Lloyd teams up with Merelyn Carter (Carter & Carter) to deliver a heartfelt, country duet, 'Little Country Store'.

The song is inspired by the unforgettable nostalgic experience of the Taggerty General Store and its colourful owners. The shop stands sentinel as the lifeblood of a town of yesteryear, where everything else is long since abandoned. The building is old, in need of a little repair, but its essence stays strong, even in the face of modern-day change.

“The store feels like it's always open, a place for hearts to gather for a chat, post a letter or buy a beer, but it's the man behind the counter at his trusty coffee machine who draws us in, providing the reassurance that everything is okay, leaving us with the undeniable feeling of 'home'.”
